Brand new TOP SMILE RECORDS 2 x 7 inch vinyl issue:

Top Smile Records and www.reggaefever.ch proudly present the first series of 2 x 7 inch from the «new in town» digital reggae production team called **High Smile HiFi** outta Switzerland. After two years of hard work in the studio, the crew is more than happy to come up with their very first double vinyl release ever. For these two brand new vinyl exclusive releases, High Smile HiFi has teamed up with upcoming Frech singer **S'Kaya** and UK based veteran deejay **Speng Bond**. The differnt riddims both are perfect examples of High Smile HiFi's unique digital sound.

«**My Story**» kicks off with a catchy bassline in a classic MT-40 rockers style and S'Kaya sings about his affection for his honey. The versatile singer rides the riddim in a classic lovers fashion, resulting in one of his sweatest tunes.

«**Dilly Dally**» captures Speng Bond's veteran DJ style on a vintage sounding production aiming to sound just like back in the 80's. The heavy bass production is destined to mash up the dance and so is the version on the flipside.
