## Brand new TOP SMILE RECORDS 3 x 7 inch vinyl issue:

Top Smile Records and [www.reggaefever.ch](http://www.reggaefever.ch) strike again with the third batch of three 7 inch vinyls from High Smile HiFi. After releasing 5 different 7" singles in 2014, the Swiss production team is back with their first 3 releases for 2015. The artists featured on these 3 singles are «the usual suspects», Tenna Star, Ras Negus I, Little Harry & S'Kaya, known from their 2014 releases on the Top Smile label.

On «Right Now», Tenna Star denounces the grievance of today's society and ask for Jah's helping hand to solve the problems of mankind. On «Family», Ras Negus I calls for familiar togetherness and remind us of our parental responsibility for our children, since they are our future. Once again two excellent conscious tunes on a riddim that will make you stomp your feet.

«No Friend A Dem» marks Little Harry's second tune on the label and is accompanied by a vintage looking music video, filmed in Jamaica by Harry's wife, daughter and son. The riddim comes in a old skool, 80's style dancehall fashion and «The Youngest Veteran», tells us who his friends are and who not.

On the third production, S'Kaya shows us his versatile deejay skills and delivers a homage to the early deejay toasters of Jamaican dancehall music. The tune is called «Deejay Livication», another vintage sounding rockers production we'd typically expect from High Smile HiFi.
