## Brand new TOP SMILE RECORDS 2 x 7 inch vinyl issue:

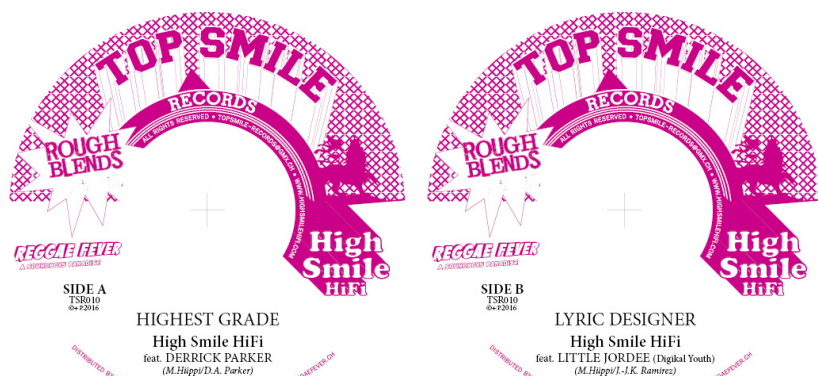

After releasing 8 different 7 inch vinyls in 2014/15 – the Swiss digital dons are back with two brandnew 45's, styled with a different colored label artwork and packed in some kick-ass vintage looking sleeves. The crew collaborated with Jamaican llegend Derrick Parker, Little Jordee from Digikal Youths outta Hawaii and French deejay sensation S'Kaya to complete this heavyweight production in a truly international stylee. Each singer emphasises a different element of Reggae music and brings a completely unique vibe to the riddim.

With a name like High Smile HiFi, it could only be a matter of time until the crew would come up with a Ganja tune. «Highest Grade» featuring **Derrick Parker** hits the nail on the head. His unique voice adds a sweet flavour to the already tough riddim. Derrick has been in the music business for slightly more than two decades, known from over 80 (!!) vinyl releases so far. He brought us hits like «Samfie Love», «Cool it off» and many more. «Highest Grade» marks his first release on Top Smile Records, more to come for sure.

«Lyrics Designer» on the flipside reminds us of the good old rub-a-dub 80's as **Little Jordee** rides the riddim inna pure deejay-style. He is a member of the Hawaiian crew called «Digikal Youths», where he normally partners Tuli Ranks on the microphone. The vocals have been mixed by Sean Kim at Jahtomics studio in Maui, another member of Digikal Youths. Watch out for these young cats as they both have a superb style and will surely attract listeners from all over the world.

The second 7 inch comes with **S'Kaya** on the a-side and the riddim track on the b-side. In «Tell the Youths», S'Kaya puts the spotlight on the hard living conditions in the Ghetto and advises the Youths to choose a better way for their life's. Lyrics with a strong message and a personal touch, in his very own, distinctive style.

The b-side is loaded with thumping kicks, hypnotic snares & a warm bassline that all come together in the version of those 3 songs. Produced by Icky Top, he unleashes another powerful riddim completing another strong set of releases by High Smile HiFi and Top Smile Records.
